High Adventure Trip: Fund Raiser

High Adventure Trips are incredible opportunities for our scouts to participate in a once-in-a-lifetime “Mountain Top” experiences. Troop 68 is committed to making adventures like the 2017 National Boy Scout Jamboree and other future trips like it available to as many scouts as possible. The Troop is preparing a fantastic fundraiser to help achieve that goal: a delicious all-you-can-eat dinner, silent auction, program ad booklet. We need everyone’s active participation to make it a success for our scouts, and your help is as easy as:

1 Ad Sales

Inquire with friends, businesses you frequent, people you know, etc. 100% of these funds go directly in the Troop’s High Adventure fund and are the largest direct benefit to our scouts.

2 Silent Auction

Some businesses will prefer to donate an item for our silent auction in lieu of placing an ad. That’s great! Our silent auction is a vital part of this fundraiser.

3 Dinner Tickets

Plan to attend our pasta dinner. Invite your family and friends. Promote it through your clubs & groups. After all, it’s the attendees of the event that see the ads and bid on our auction!
